RACE NUMBERS AT HEADQUARTERS

Riders are required to both sign the CTT signing on sheet when collecting their numbers and sign off when returning their numbers.

The headquarters are approximately 2.5 miles from the start at Allstock Village Hall, Chapel Lane, Allstock, WA16 9LN (map ref. SJ 742715) approximately 3 miles NNW of Holmes Chapel.

Directions to the start:

From the HQ turn right onto the A50.

Take care as riders may be already competing on the circuit.

Travel down the A50 for approximately 1.6 miles to turn left into Twemlow Lane, where the start is approximately 0.9 miles down Twemlow Lane.

No competitors (or supporters) vehicles are allowed at the start or the finish.

Riders must exercise caution at all junctions. Any competitor whose riding line causes him to cross the white line when approaching or leaving a junction will be liable to disqualification from the event and may be reported to the District Committee for further disciplinary action.

Please take special care at the Gough's Lane/A50 junction, and at both ends of Twemlow Lane. Marshals have been asked to note any riders crossing white lines into the oncoming carriageway. Offending riders reported to the organiser will be disqualified from the event.

A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. The practice is not encouraged by the District Committee and competitors who ride in this manner are warned that in many circumstances this manoeuvre will be regarded as a contravention of regulation 47 (i),(iii),(v).

Riders must not perform U turns in the vicinity of the start or finish of the event. Riders observed performing U turns will be reported to the District Committee who will consider disciplinary proceedings.

Riders must negotiate Chelford Island in a safe and sensible manner in accordance with CTT Reg. 20 and the rules of the road. Riders must be able to brake and stop at the island if traffic conditions require this. Riders **MUST NOT** approach and encircle the island using tri-bars. Remember - traffic on the island has priority over traffic (including riders) entering it. Any rider seen to be in breach of this regulation will be disqualified from the event and may be reported for further disciplinary action.

IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters strongly advise you to wear a **HARD SHELL HELMET** that meets an internationally accepted safety standard.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.

Be aware that there is a double bend shortly after turning into Twemlow Lane at Cranage. Riders need to anticipate this and be prepared to negotiate it in a safe manner.

In wet weather the metal covers and edges become a skid risk. Please take care.

There is also a building site access on this corner so beware of possible mud on the road.

OBSERVERS WILL BE USED DURING THIS EVENT

Refreshments will be available at the headquarters.
